INTERNET SPEEDS TO DOUBLE SEPTEMBER 1 CABLE TV ADDING ACC NETWORK AND HALLMARK CHANNELS

Dear Valued Cable TV / Internet Subscriber:

Bardstown Cable Television & Internet constantly works to provide the best entertainment and communication value to our customers at the lowest price possible. **Today, we are pleased to announce that we are doubling Internet speeds for all customers with this service!**

For University of Louisville fans we will add the ACC Network to our cable TV sports channel line-up. Additionally, we are including Hallmark Movies and Mysteries to the Expanded Basic Package and Hallmark Drama to the Digital Basic Package.

For customers who have cable tv service, there is an increase of 11 cents per month for Basic service and 49 cents for Expanded Basic service. County Internet-only customers will see a \$4.75/month increase. The additional charge implements a two-tiered system for city and county Internet services, as currently exists for our cable TV customers. The rate difference accounts for the cost of providing service to the more densely populated areas within the city as compared to the cost of providing service to the more spread out locations in the county.

No matter whether your residence or business is inside or outside the city limits, our cable TV and Internet service bundle packages provide the best value. **See complete rate packages on reverse side of this letter.**

All changes will take effect September 1, 2019.

We are committed to offering the high-quality TV programming and Internet service you deserve along with reliable local service that you expect from us to back it up. As always, we are available by phone or in person at the Bardstown City Hall to discuss how Bardstown Cable Television & Internet can best serve you in 2019 and beyond.

Sincerely,
Bardstown Cable TV & Internet (502) 348-5947

NEW: Ask about our new Gigabit wireless modem/router for only \$5.00/month.
