

A TREE PROVIDES A GIFT TO THE WHOLE COMMUNITY

Beautify Bardstown

Be on the lookout as Bernheim and the City of Bardstown staff work together to beautify Bardstown by planting new trees throughout our community.

We are excited to announce that Bernheim Arboretum and Research Forest will be assisting the City by donating several species of trees and helping to plant them.

You can help us in this effort by purchasing a memorial tree which will be planted in a City-owned park, cemetery, or green space.

Planting or dedicating a tree is a wonderful way to honor a devoted service member, a friend battling an illness, or a loved one who has passed away.

For more information, or to purchase a tree for your community, please call City Hall at (502) 348-5947 ext 2239.
