

Remember Your Loved One Through a Memorial Tree

A Memorial Tree is a great way to celebrate the life of a loved one. The City of Bardstown would like to re-introduce its Memorial Tree Program. Planting or dedicating a tree in specific areas of the City-owned land is a wonderful way to honor a dedicated service member, loved one, or family member who has passed away. A tree provides a gift to the whole community, a remembrance of the past and at the same time a renewing of life.

The Memorial Tree Program offers a variety of trees that are indigenous to this area and there are specific trees to be planted in specific areas. For more information please contact City Hall at 502-348-5947, ext. 2239. A full list of specific trees and designated area map is available upon request.
